

How Do I Claim My Driver Profile?

Youtube instructions

<https://youtu.be/lhOybuhpKLE>

Or

The first step in getting started with MyRacePass is claiming a profile.

1 Begin by visiting the page

here: <http://www.myracepass.com/pro/signup/?type=driver>

2 Type the driver's name in the field *Search for your profile*, then click the correct profile from the list of suggestions.

We have thousands of news articles, schedule events, results, and photos, and chances are some of them are waiting for you.

Claim your profile to start managing.

Enter Promo Code

Next >

- 3 Chances are that the driver is already listed in our system, but in the event that it isn't, click *Add Profile* and manually enter the driver details.
- 4 Enter your phone number so that the profile can be verified.
- 5 Under *How are you connected to this profile*, choose the option that best describes your relationship or enter *Other* if not listed.
- 6 (Optional) Enter a promo code.
- 7 Click *Next*.
- 8 Fill in your first and last name, then enter your username and password and click *Complete*. **Note**: If you don't have an existing user account, one will be created.
